14. Copy Your Mnemonics and store securely.
15. Then click on next button.

The screenshot shows a mobile browser interface. At the top, there's a status bar with icons for HD, email, messages, and battery level at 37%. Below that is the address bar showing a URL starting with 'moz-extension://'. The main content area has a dark grey background with a white padlock icon and the text 'CLICK HERE TO REVEAL SECRET WORDS'. A blue arrow points from this text to the word 'Mnemonics' in the 'Tips' section below. The 'Tips' section contains several paragraphs of text, including a warning to never disclose the backup phrase and instructions on how to store it. At the bottom, there is a blue button labeled 'NEXT'.

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.
