9. Cliquez sur Ajouter.

10. Cliquez sur Démarrer.

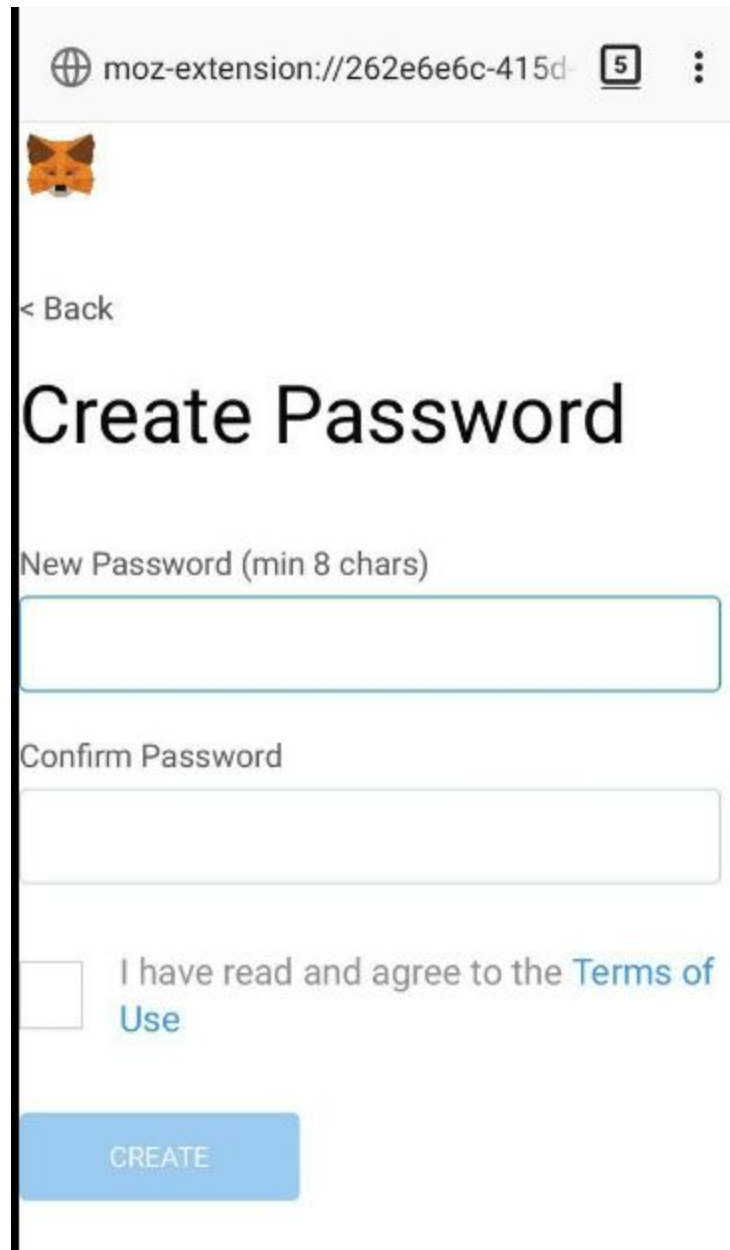

11. Cliquez sur Créer un compte.

12. Puis cliquez sur J'ACCEPTÉ.

13. Créez votre mot de passe.

The screenshot shows a mobile browser interface for creating a password. At the top, the address bar displays a URL starting with "moz-extension://262e6e6c-415d-". Below the address bar is a fox emoji icon. A "< Back" button is visible. The main heading is "Create Password". There are two input fields: "New Password (min 8 chars)" and "Confirm Password". Below the input fields is a checkbox labeled "I have read and agree to the [Terms of Use](#)". At the bottom, there is a blue button labeled "CREATE".

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.

Tips: [Copy this Mnemonics.](#)

Store this phrase in a password manager like 1Password.

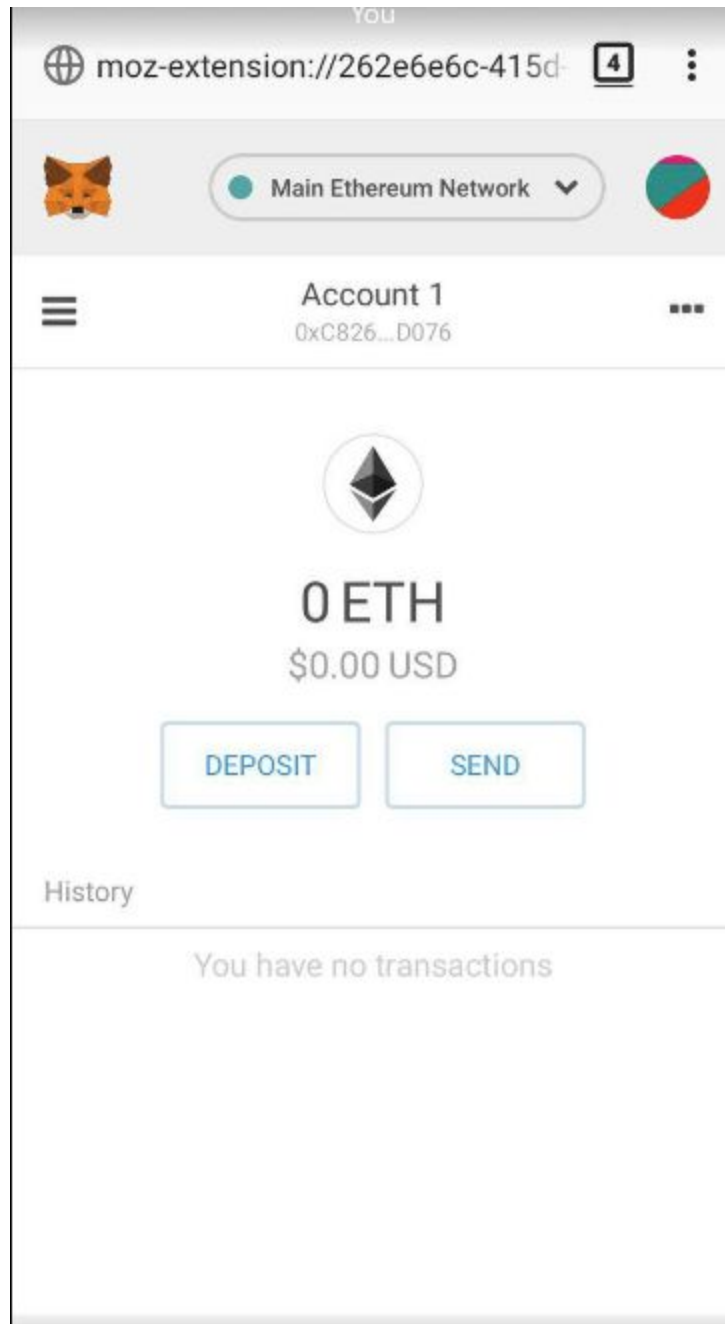

Write this phrase on a piece of paper and store in a secure location. If you want even more security, write it down on multiple pieces of paper and store each in 2 - 3 different locations.

Memorize this phrase.

[Download this Secret Backup Phrase and keep it stored safely on an external encrypted hard drive or storage medium.](#)
